As part of the National Eisteddfod, and in connection with the Year of The Sea celebrations, a number of water screen fountains will be placed on the inside mooring finger at MMQ.

These fountains will be used to create a water screen to allow a video to be projected.

As a result for the period Thursday 2nd August to 1700 Tuesday 14th August, mooring on the inside of this pontoon (see attached plan) will be prohibited. The rest of the pontoon system will remain open as normal.

Mariners are advised that there will also be limited mooring in Graving Dock No 3. Mooring will be subject to the terms and conditions displayed and with permission from the on station Harbour Patrol Vessel.
