

LOCAL NOTICE TO MARINERS

No. 06 of 2020 Barrage Control COVID-19 UPDATE 18th March 2020

The Covid-19 virus has initiated the Barrage Control Business Continuity Plan.

This plan has been updated to reflect the virus, and is intended to ensure continued service provision. At present there will be no changes to our locking timetables, this may need to be reviewed over the coming weeks.

Government and Public Health Wales advice will be taken and any decisions will be communicated via LNTM's. The current advice is as follows;

Social distancing measures are steps you can take to reduce the social interaction between people. This will help reduce the transmission of coronavirus (COVID-19).

They are:

1. Avoid contact with someone who is displaying symptoms of coronavirus (COVID-19). These symptoms include high temperature and/or new and continuous cough;
2. Avoid non-essential use of public transport, varying your travel times to avoid rush hour, when possible.
3. Avoid large gatherings, and gatherings in smaller public spaces such as pubs, cinemas, restaurants, theatres, bars, clubs
4. Avoid gatherings with friends and family. Keep in touch using remote technology such as phone, internet, and social media.
5. Use telephone or online services to contact your GP or other essential services.

Mariners are reminded that CCTV is in operation at the Barrage for operational and health and safety reasons. All CCTV images and VHF transmissions are recorded.
